

NEOREMA

(North East Ohio Research Education Medicine Alliance)

Start Changing Your Future This Summer

- ✓ Are you considering a career in biomedical science?
- ✓ Are you entering the 10th grade in the fall of the 2012-13 academic year?
- ✓ Do you have a strong aptitude for science or math, and a strong interest in a healthcare career?
- ✓ Is your GPA 3.5 or better on a 4.0 scale?
- ✓ Will you be 16 years old on or before June 1, 2012?
- ✓ Are you from at least one underrepresented student population, and/or a first generation college student?

Apply now!

As a collaborative initiative between Cleveland Clinic, Cleveland State University, Cuyahoga Community College, Kent State University, and Oberlin College, NEOREMA provides a wide range of enrichment opportunities for students interested in becoming physicians, researchers, or allied health professionals. Participation includes a two-week summer learning experience, a fall group activity, and spring semester curriculum.

For more information on the internship, eligibility, application criteria, and to apply online, visit us at:
